PRECISION Pipes – DESH KI LIFELINE

1978 – The year when Precision Pipes was incorporate with a mission and vision to be the lifeline of every building and bring every home to life. To be the “Desh ki lifeline”, it was imperative for us to be connected with the country right from the grassroot level. So we built large scale manufacturing at Daman, Bengaluru, & Haridwar.

Having major approvals in National and International leading consultants, architects, construction industries, government departments, defence, railways and various type of industries. All products comply with major national and international standards like the ISO 9001:2015, IS, BS and CE for Low Voltage Directive.
